Amdt. dated February 17, 2005
Reply to Office action of January 19, 2006

REMARKS

Claims 1 to 10 are pending in the application.

The amendment to the drawings are alleged to be non-compliant as being not properly identified in the top margin as "Replacement Sheet", "New Sheet" or "Annotated Sheet" as required by 37 CFR 1.121(d).

The Applicant respectfully disagrees. In order to get more details, the Applicant has left two telephone messages to the Examiner at the telephone number (571) 272-0530, without being called back.

The Applicant does not understand the objection as the drawings were not amended in the response filed on December 22, 2005. The only reference made to drawings related to drawings of the manuscript of Weng and Kriz, which was enclosed with the response.

Reconsideration of the Examiner's objection is respectfully requested.

Allowance of claims 1 to 10 at an early date is solicited.

In the event that there are any questions concerning this amendment or the application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.
